Hand-drawn symbols and characters arranged in a grid on a piece of paper.

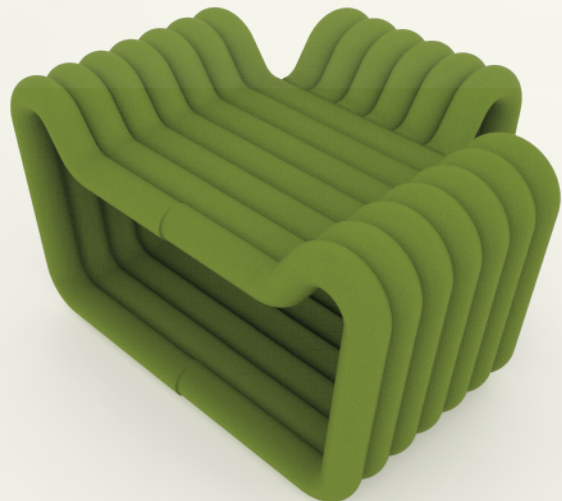

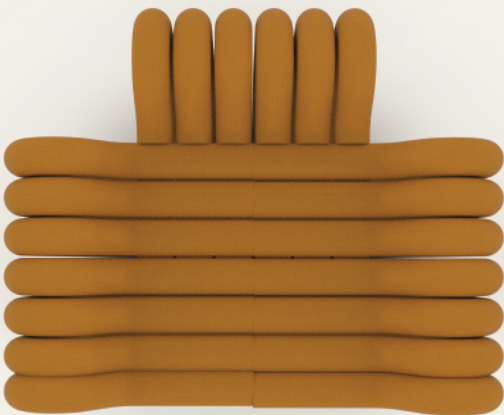

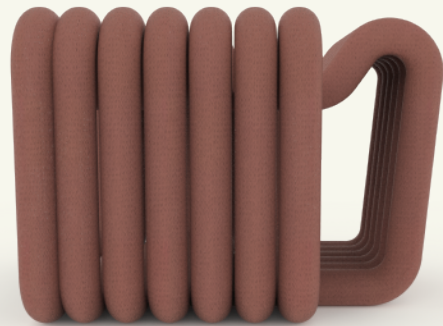

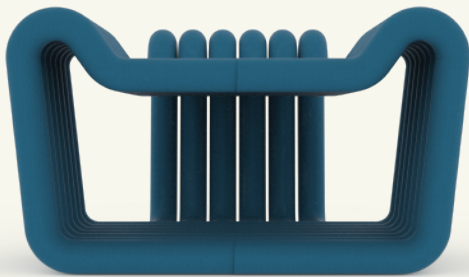

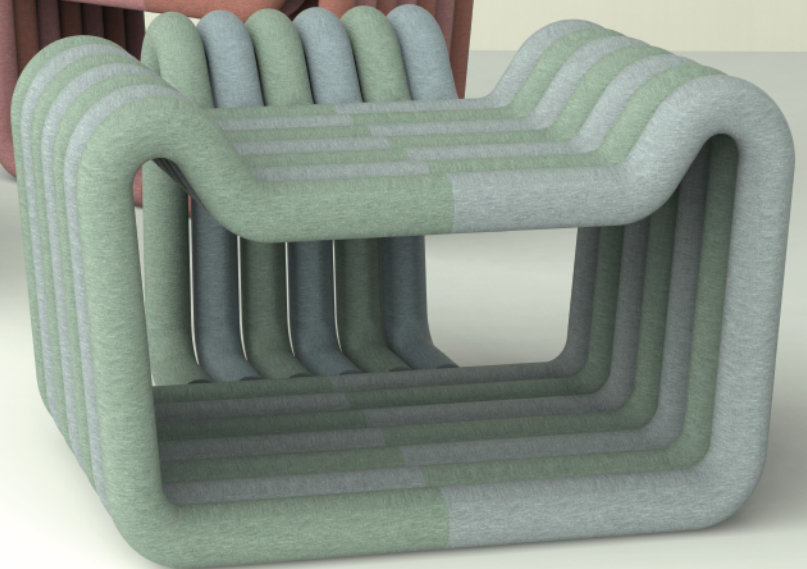

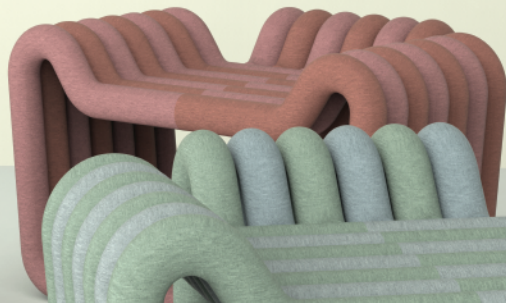

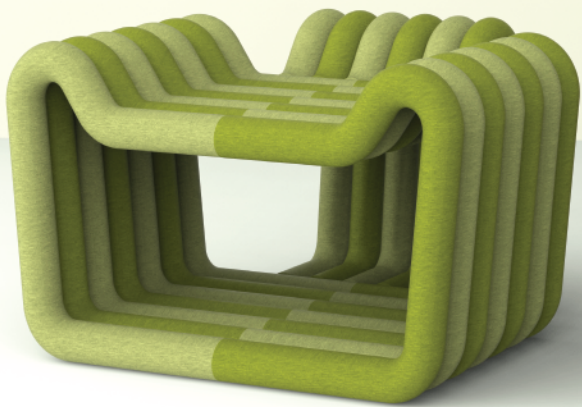

Hand-drawn text and symbols on a piece of paper, including the name 'ARPER' and various symbols.

Let's Share!

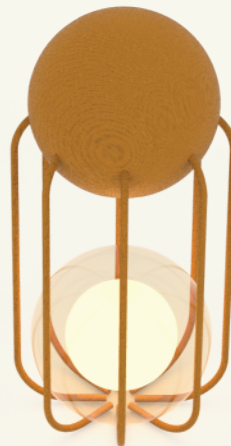

A chair that seats one comfortably but offers the ability to share excess space with soft arm rests to lean against.

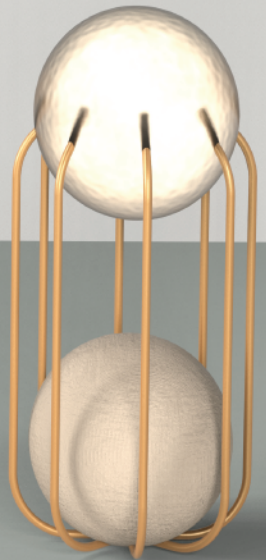

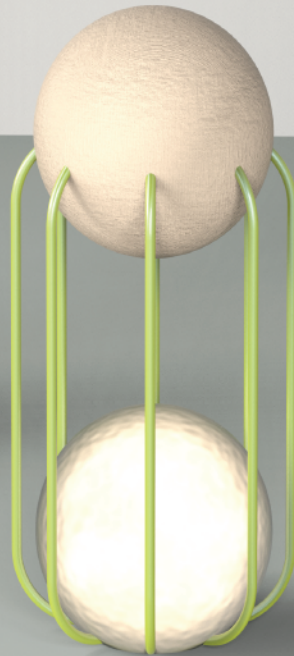

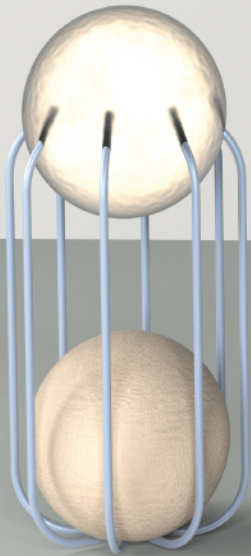

Hide & Seek!

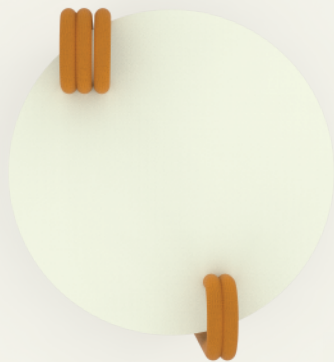

Is a table lamp that celebrates the individuality of people. Place the lamp on top to create an uninterrupted glow, or it can shyly hide underneath

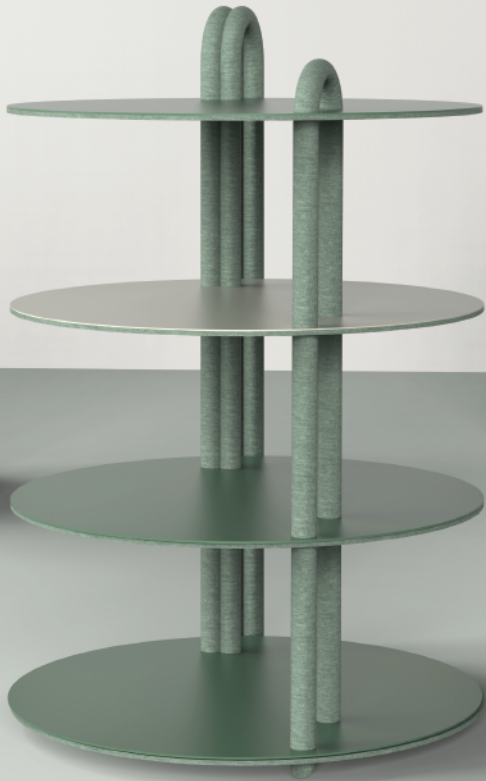

Hold My Hand!

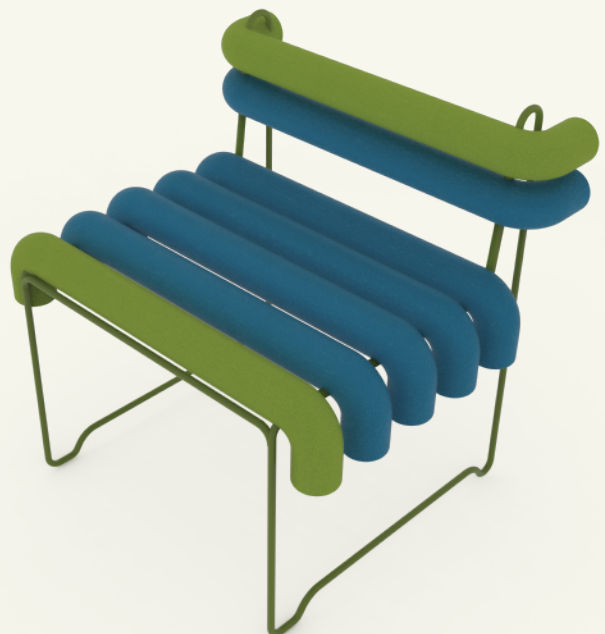

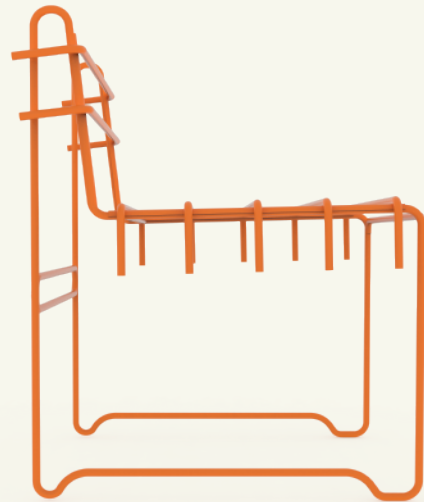

When no one can walk you through your day to day, this table is the perfect place to hold all the things that help you through life.

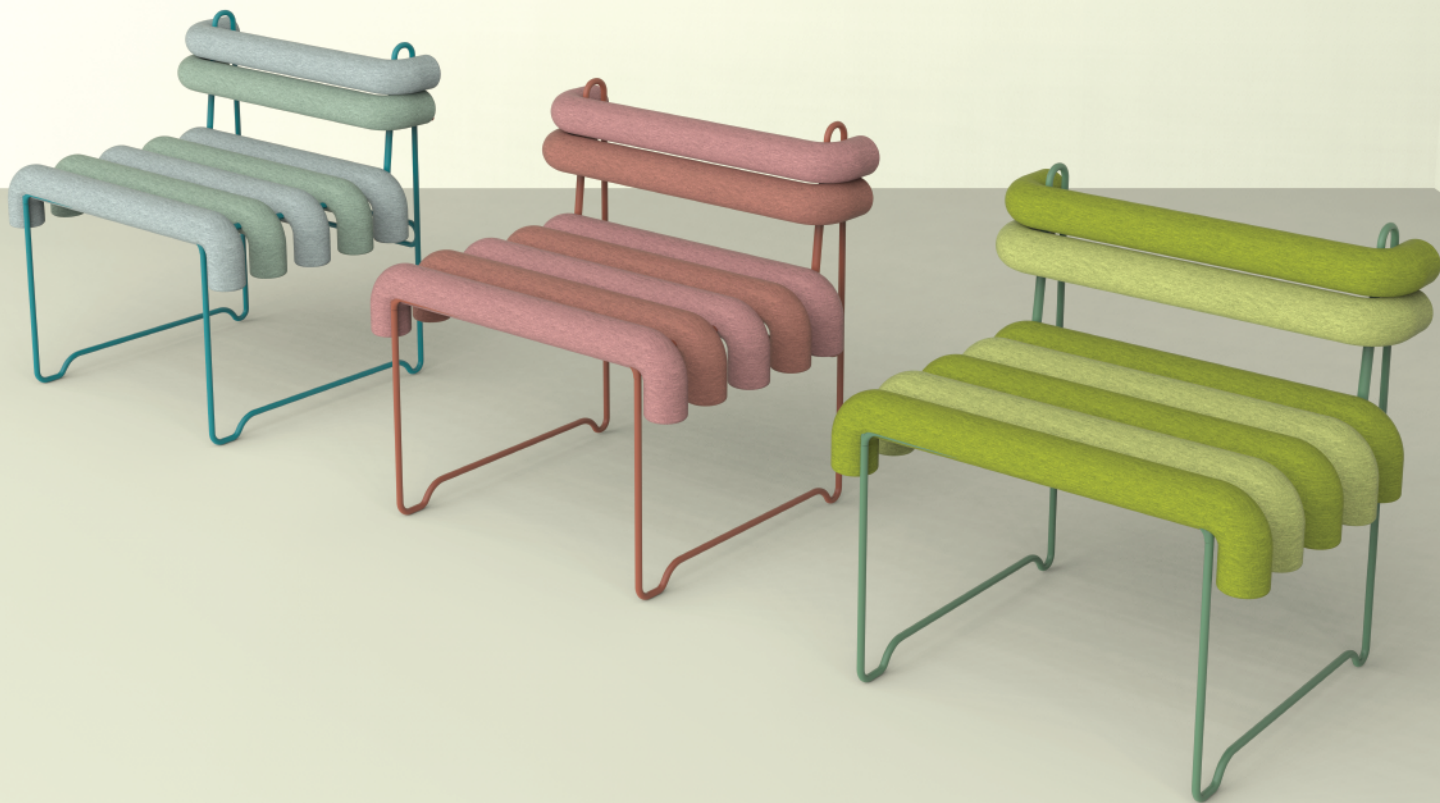

Stop Touching Me!

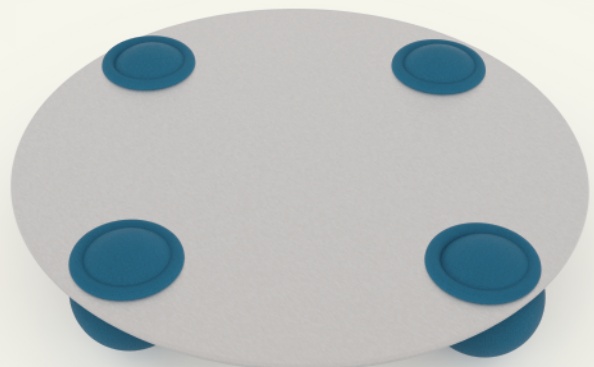

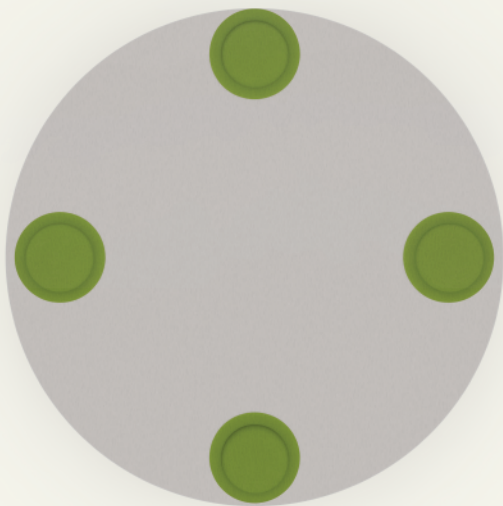

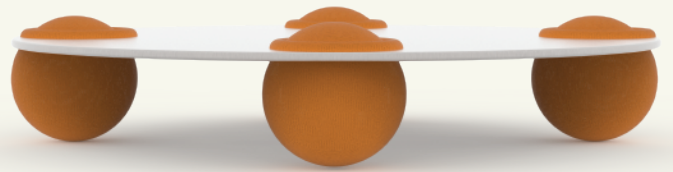

Is a chair designed around the tension of someone collapsing into another person who is not as physically affectionate. They are supportive but stiff, bearing the weight of another person while trying to create boundaries.

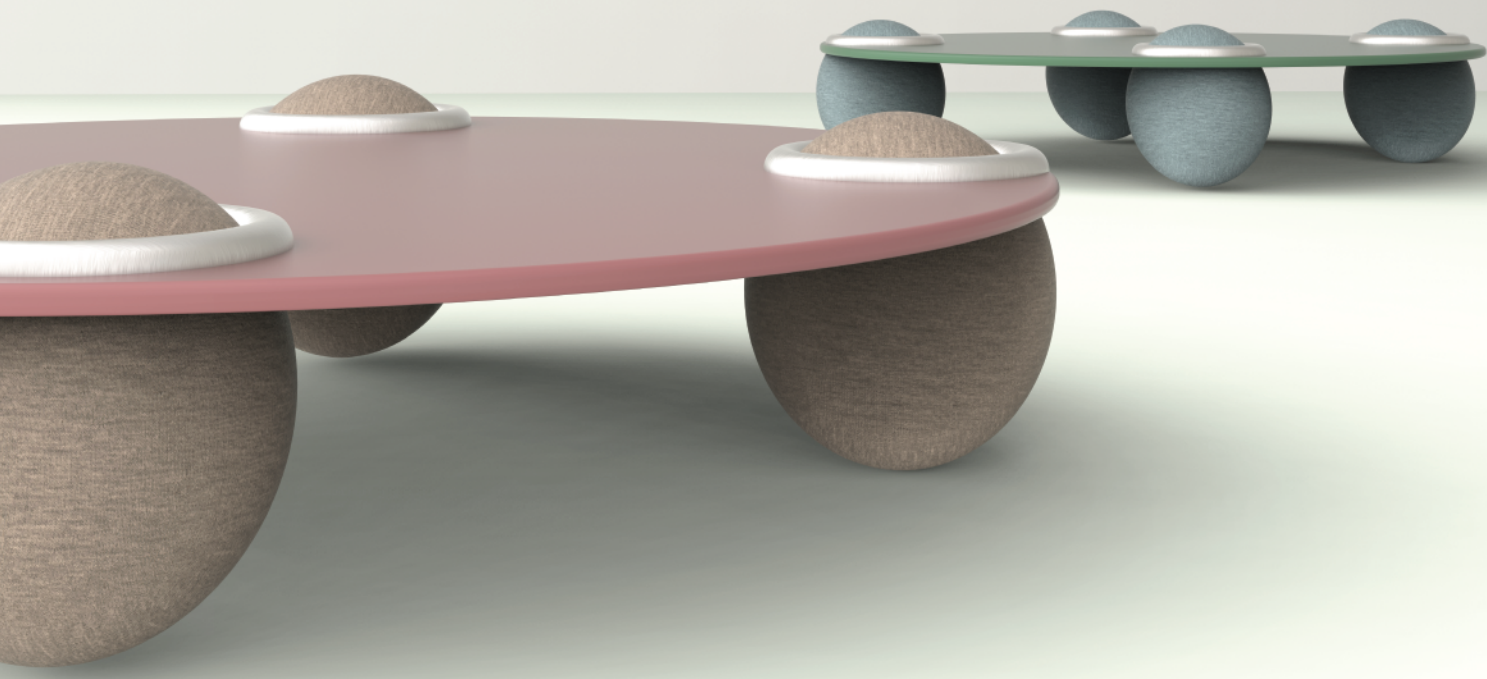

Give That Back!

A low sitting coffee table that encourages people to gather, play games, and exchange ideas

Stop Copying Me!

Is a hanging pendant light and floor lamp that can be brought together and pulled apart. The lighting pair can be placed together to contain each other's light, but function as individuals.
